CAPABILITY STATEMENT

Civil drainage contractor | South East Queensland

SEWER | STORMWATER | WATER | EARTHWORKS

WHO WE ARE

Terra-Firma Civil Pty Ltd is a locally owned civil drainage contractor, established in 2019 and led by director Jarrod Roil. We install sewer, stormwater and water infrastructure for subdivisions and urban developments, for civil contractors and developers across South East Queensland and regional Queensland.

WHAT WE DO

- Gravity sewer mains, manholes, maintenance shafts and live connections
- Stormwater to 1650 mm diameter, twin and triple barrel lines, box culverts, pits and headwalls
- Water mains, valves, hydrants and services, pressure tested
- Trench and bulk excavation for our packages, including rock
- Lay only, plant and labour, or full supply and install

COMPLEX WORKS

- Deep sewer and stormwater in benched trenches, trench shields and shoring boxes
- Large manholes poured in place with steel forms
- Regional projects in Yeppoon, Mackay and Kilcoy, with our plant floated to site

OUR FLEET

- 38 t Kobelco SK380XD LC, fitted with GPS
- 30 t Kobelco SK300 LC
- 13 t Kobelco SK135SR, short radius
